**Give the gift of knowledge to your peers and low-income kids.**

From **January 6 - March 8, 2010**, we're holding a **KnowledgeDrive** for health marketers and low-income children.

Over this **60 day period**, we're asking members of the extended Path of the Blue Eye Project community to submit **120 pieces** of knowledge to our [NewsHub](#) and [Q&A Center](#).

**If we meet our goal**, the Path of the Blue Eye Project will donate **120 books** to low-income children via **First Book** ([www.firstbook.org](http://www.firstbook.org)).

**Sign the pledge, share your knowledge and help a child.** Click [here](#) to get started.
